Bring your own food, drink, camping gear.

Rentals are available and or team up with another WCA member. See WCA organizer to help you coordinate.

#### **Paddle Co-op**

WCA members have used the Palmer Rapids area on many occasions in the past and want to continue to have public access to this important part of our canoeing experience.

Paddler Co-op is spearheading a fundraiser to purchase its rental property to secure a river access point for paddlers and recreationalists for future generations. The WCA is proud to help in this effort.

#### **Itinerary**

We are planning a visit to the Canadian Canoe Museum on the drive up on Friday. Look for this announcement soon.

#### **Friday Night**

Drive up and find a campsites. Mention you are a WCA member and get 20% off camping and boat rental during this weekend.

We will catch-up around a campfire Friday evening. Early arrivals on Friday can say hello to old and new friends, go for a riverside walk, or paddle to Palmer Rapids on the Lower Madawaski River for a quick evening run.

#### **Saturday Featured Outing:**

##### **1. Flat Water: Paddle down the Madawaska River**

This is a self guided pleasant paddle down the river pass the town of Palmer, lumber mills, cottages and various bridges. You can paddle all the way to Latchford bridge (7.5 km) or Homestead Road (10 km) (Aumonds Rapids area) and drop a shuttle car for your return or just paddle back on the reverse route back up river. The river in this section is a slow moving current.

##### **2. Flat Water: Paddle in Cobermere Marsh**

This is a guided paddle outing. Cobermere is a 10 minute drive away. This marsh is very big. The York and Little Mississippi rivers flow into it. The marsh drains into the Lower Madawaska River.

### **3. White water: Snake Rapids River Run on the Lower Madawaska River**

This is the classic run down the Snake Rapids section .

- Take-out Location Buck Bay: <https://maps.app.goo.gl/wEUe4DVKhHuTuoYaA>

### **Other Saturday Daytime Activities**

- Playing at Palmer Rapids
- Hike some local trails
- Hang around campground and relax.
- Check out the town of Palmer

### **Saturday Après-Paddle**

We are aiming to arrive back at the campsites around 4 pm. This time can be used for gear demonstrations and/or gear swap. Participants are encouraged to bring any gear in good condition that they no longer need, to see if anyone else can put it to good use. Have a look through your old stuff and see what might be of interest to other members – a great way to declutter!

**6 PM Dinner** We are planning to have a group dinner at a local Ukrainian Restaurant in Cobermere ("Heartwood"). Traditional Ukraine food will be served. We have arranged to basically take over most of the restaurant. To facilitate quick service we will limit the food choices available, but you will not be disappointed.

**Our evening program** will feature various trip presentations in the Boat House. This will start at by approximately **8:00 pm**, and run a couple of hours. Even if you're haven't signed-up to present, feel free to bring some pictures on a USB memory key and share some memorable experiences.

### **Sunday**

For people that want a relaxing day, wake up late and go for a few runs down Palmer Rapids or a flat water paddle down the Madawaska River its up to you.

Paddler Co-Op will give a dry land demonstration at **11 am**

For others that want a full day run the Snake Rapids from Almond Bay to Buck Bay is an option.

There are also a few local self guided hikes and attractions available. See organizers for maps.
